

**Christmas Term 2019: Optional Homework**

**Curriculum Topic: Christmas Jam Jars**

**Date Due: End of Term**

### **Christmas Jam Jars**

Once again this year, we are asking our children to make a Christmas jam jar to be sold at the Christmas Fair. The money raised by the jam jars will be used to buy warm clothes for homeless people in Norwich this Christmas through St Martins Housing Trust.

### **Instructions**

1. Decorate a jam jar with a Christmas theme, for example a reindeer, snowman, Santa, jingle bell etc.
2. Fill the jar with a mixture of sweets, small toys, crayons, balloons, stickers, rubbers, key rings or any other small gift which would appeal to a child.
3. Place the lid on the jam jar and return it to school for the fair.

**N.B: Don't forget - you can earn Children's University Credits and three House Points for completing your optional Homework!**
